

BACK BY POPULAR DEMAND GUESS WHO'S COMING TO DINNER

Get to know other church members thru the fellowship of a shared meal!

Saturday, January 23rd at 6:00pm

Here's how it works:

You choose to sign up as a "Host Family" or as a "Guest Family".

Host Families: Dinner will be at your home.

To sign up, please indicate how many guests (not including your own family) you are willing to accommodate in your home. As the **host**, you will prepare the main dish and possibly one other, depending upon the number of guests coming to your home. Next, the Event Coordinator will let you, the **host**, know how many guests will be coming and what dishes they will be bringing (e.g., dessert/salad). ***You will not know who your guests are until they arrive at your door.***

Guest Families: You will be "going" to dinner at a host home.

To sign up, indicate how many in your family will be participating. Next, the Event Coordinator will assign you to a host family and give you directions to that home and you will be instructed what dish(es) to bring and how many it needs to serve. ***As a guest family, you will know who your "host" is... DO NOT tell anyone so you do not spoil the surprise for both the host and the guests. You can talk about it all you want after the event!***

Sign up at the Information Table Today!
